Cornerstone Health Care Administrative & Billing Offices Move to Providence Place

High Point, NC — Cornerstone Health Care’s administrative and billing offices have relocated to Providence Place, Suite 850 at 1701 Westchester Drive. “Several new practices joined Cornerstone the past two years, and as a result, our support staff has grown to keep pace with the increased number of patients we now serve across the Triad. Subsequently, we had grown out of our old building, and were very pleased to find this attractive space that is so convenient to our new Westchester medical office building, and other supporting businesses in this strategic South High Point area,” said Grace E. Terrell, MD, President and CEO of Cornerstone. Approximately 140 employees were involved in the move.
