Pediatric Neuropsychologist Joins Cornerstone

High Point, NC — Peter Duquette, Ph.D., a Pediatric Neuropsychologist, has joined Cornerstone Behavioral Medicine, providing neuropsychological assessment for children, adolescents, and adults with neurological disorders, attention deficit/hyperactivity disorder, learning and developmental delays, cancer, kidney and liver disease and other complex medical conditions.

Dr. Duquette was awarded his undergraduate degree from Wake Forest University where he was a four year recipient of the George Foster Hankins Merit Scholarship. He earned his Ph.D. in School Psychology from the University of North Carolina, Chapel Hill. He completed his internship at Texas Children's Hospital in Houston, Texas and his post-doctoral fellowship in pediatric neuropsychology at the Children's National Medical Center, Rockville, Maryland. Dr. Duquette has published book chapters and articles in scientific journals on the topics of memory, attention, learning processes, and cognitive problems associated with complex medical issues.

W. Thomas Thompson, Ed.D., Michael V. Kirch, Ph.D., Katherine R. Schnell, Psy.D., Megan K. Gabalda, Ph.D., Alexander V. Tabori, Ph.D., Jennifer D. Clayton, Ph.D., Larry D. Young, Ph.D., Catherine Cheek, M.A., Dana Truman-Schram, M.A., Michelle Lawson, M.A., and Thomas Harrison, Jr., M.A. are the other psychologists at Cornerstone Behavioral Medicine.

The practice is located at 721 N. Elm Street, Suite 101 in High Point and appointments can be made by calling 336 802-2205. Cornerstone Behavioral Medicine will open a second practice in Premier Medical Plaza at 4515 Premier Drive, Suite 301 in High Point in January 2010.
