John J. Walker, MD Named Medical Director of Cornerstone Health Care

High Point, NC — Dr. John J. Walker has been appointed as the first Medical Director of Cornerstone Health Care according to Grace E. Terrell, MD, President and CEO of the large multi-disciplinary physician group. “In our rapidly changing health care environment, it is becoming increasingly important for us to demonstrate quality of outcomes of our clinical care in order for us to continue to improve the care we provide our patients. Much of Dr. Walker’s role will be to lead these efforts.” She added that Dr. Walker will continue to practice half of the time with High Point Gastroenterology.

Dr. Walker joined Cornerstone in 2002 after serving in private practice in Syracuse, NY for ten years. He completed his medical degree, internship and residency training and a fellowship in gastroenterology at the State University of New York Health Science Center in Syracuse, NY. He is certified by the American Board of Internal Medicine in Gastroenterology. In addition to treating patients at High Point Gastroenterology, Dr. Walker serves as Chairman of CHC Realty, LLC, which developed the Cornerstone Health Care at Westchester medical building in 2008 and partnered with High Point Regional Health System in the construction of the recently opened Premier Medical Plaza building in north High Point.

Dr. Walker and his wife, Lynn, have three children and reside in High Point.
