Asthma and Allergy Associates Joins Cornerstone Health Care

Winston-Salem, NC — Asthma and Allergy Associates has joined Cornerstone Health Care, providing evaluation and treatment of asthma and allergic diseases for children and adults. “We are very pleased that this respected specialty practice has chosen to become part of Cornerstone. We look forward to sharing the benefits of our centralized administration services and electronic medical record system with them, allowing the providers more time to care for their patients,” said Grace E. Terrell, MD, Cornerstone President and CEO.

Dr. Robert M. Ross began his practice in Winston-Salem in 1981 after completing fellowships in allergy and immunology at The University of Kansas Medical Center and Children’s Mercy Hospital of the University of Missouri, Kansas City, Missouri/Kansas and Bowman Gray School of Medicine. His residency was served at Children’s Hospital of Akron, Northeastern Ohio Universities College of Medicine in Akron, OH and Cedars-Sinai Medical Center in Los Angeles, CA. His medical degree was awarded by Hahnemann Medical College of Philadelphia, and he completed his undergraduate studies at Duke University in Durham, NC. Dr. Ross is board certified by the American Board of Pediatrics and the American Board of Allergy and Immunology.

Asthma and Allergy Associates welcomes new patients and, as part of Cornerstone, participates in most major health plans. Appointments may be made by calling 336 768-0914. The practice also has office locations in Elkin and Lexington, NC.
