High Point Orthopaedic and Sports Medicine Opens After Hours Clinic

High Point, NC — High Point Orthopaedic and Sports Medicine recently opened a clinic for walk-in patients open 1:30 pm to 8:30 pm Monday through Friday.

High Point Orthopaedic and Sports Medicine's Fracture, Sprain and Sports Clinic is located at 611 Lindsay Street in the High Point Medical Center, in suite 100, directly below the specialty practice. Certified Physician Assistant Eric Phillips will treat patients of all ages suffering from sprains and strains, closed fractures and possible fractures, minor dislocations, and sports related injuries. Cast or wound dressing problems will also be cared for at the new after hours clinic. The board certified orthopaedic surgeons supervising the clinic include Mark J. Warburton, MD, Edward B. Weller, MD, Michael J. Lucas, MD, Kenneth C. Lennon, MD, Christopher Brumfield, MD, Christopher J. Bashore, MD, and Slade C. Moore, MD. For more information or to make an appointment at the orthopaedic after hours clinic, call 336 802-BONE (2663)
