

CORNERSTONE

YOUR MEDICAL HOME *health care*

Is pleased to announce that

John A. H. Porter, MD

has opened Advance Neurology and Pain
Advance Sleep Center

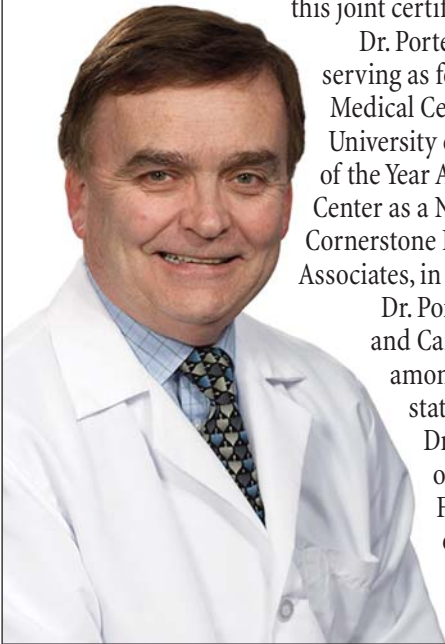

at 152 Kinderton Way in Advance.

Dr. John Porter has been practicing and teaching in the fields of Neurology and Pain Medicine for 35 years. He was awarded his Medical Degree by Queen's University Medical School in Kingston, Ontario. He completed his Residency Training at the University of Colorado School of Medicine. Dr. Porter is certified by the American Board of Psychiatry in Neurology and Pain Medicine. He is one of less than 300 neurologists nationwide to hold this joint certification.

Dr. Porter practiced Neurology in Milwaukee, WI for 23 years, serving as founding head of the Section of Neurology at St. Luke's Medical Center, and as Assistant Clinical Professor at the University of Wisconsin Medical School, where he won Teacher of the Year Award in 1997. Dr. Porter practiced at Forsyth Medical Center as a Neurologist and Section Chief for ten years. He joined Cornerstone Health Care, practicing with Triad Neurological Associates, in 2008.

Dr. Porter has made research presentations in Japan, Australia and Canada. For the past seven years, he has been named among the "Best Doctors in America". He holds Fellowship status in the American Academy of Neurology.

Dr. Porter serves on the National Board of Directors of the curePSP™ Foundation and is active in outreach and research for that organization.

Advance Neurology & Pain Advance Sleep Center
