*If you don't find your plan listed above, we may not be contracted with your insurance carrier. Please contact us at (336) 802-2002 if you need assistance in determining our participation status with your plan. If we are not contracted, we will continue to see you as our patient and will file claims to your plan on your behalf. Please be aware of any out-of-pocket expenses you may incur, however, if Cornerstone Health Care is not a contracted provider.*

*\* Please note that not all providers are accepting new patients under the above plans.*
